## TILC Commodore's Report

April, 2023

Dear TILC Members,

Spring has sprung, the club is open, and the ice is gone. I hope everyone is ready for another great summer at the club.

We have our General Membership Meeting on Saturday, April 15th at 8pm. We will be voting on the updated By-Laws that Don Cannamela and Jim Chadwick have worked hard on. Before the General Meeting there will be a planning meeting at 7pm. Please come and help us plan some fun events for the upcoming season.

I would like to thank Pete Baier and his floor crew, Dave McDonald, Joe Sikora, Steve Rung, and Dave Maloney. The floors inside the club look fantastic. Pete will also be refinishing the outside deck around the club very soon. Please be careful not to walk on any freshly stained areas.

Best Regards,

Mike Wright  
TILC Commodore

## TILC Vice Commodore's Report 2023

April 2023

Fellow TILC Members,

Happy Easter! I hope you all enjoyed spending time with family and friends. Activity around the club is starting to pick up. Thank you for staying away while the floors were being done, I apologize for any inconvenience. As in the past the floor crew did a fantastic job and the floors look great. A big thanks to Pete Baier and his crew. Next project will be removal of the ice boom and putting the floating docks in.

Just a reminder the April meeting is on the **15<sup>th</sup>**. The proposed TILC By-Law changes will be discussed and voted on at this meeting. Don Cannamela and Jim Chadwick put in a lot of time on these proposed changes, if you have questions or concerns this is the time to ask. Your vote is important so please try to attend the meeting so we have a quorum. There will be a planning meeting beginning at 7 pm, prior to the regular meeting. If you have ideas you would like to bring to the board this is the time so please attend, remember this is your club and fresh ideas are always welcome.

That is it for this month except:

A sad bear walks into a bar... The bartender is extremely busy and looks tired. He eventually makes his way to the bear.

The bear immediately tells him, "You look exhausted,"

"Yeah, it's been a rough day," says the bartender, "What are you drinking?"

"I'll have a glass of..." and after a painfully long moment says, "...scotch."

While pouring the bears drink the bartender asks, "Why the long face?"

"Don't you mean the big pause?" asks the bear.

"Like I said it's been a rough day."

Cheers,

Joe
